Dayspring News

May 2024 Edition

From Pastor Peter's heart:

May is a month to appreciate those that do so much to help us. This month there is teacher appreciation week and national nurses week. To all of our teachers and nurses we thank you so much for all you do. May the Lord bless you, protect you and give you strength as you teach and care for others.

May is the season that Dayspring springs into action to grow God's kingdom. The harvest is plentiful but the workers are few, so pray to the God of the harvest to bring workers.

The work is to preach the gospel to the lost and to make disciples in all nations, baptizing them and teaching the church to follow the Lord.

The Lord is bringing people to Dayspring that are ready to make a difference. We are making disciples with our 3 week Firm Foundations classes for all members. In the Firm Foundations classes, you will learn the 5 pillars of a disciple. You will learn how to study the bible, how to pray, where to serve, how to give and the importance of church fellowship. Classes begin in June.

It is baptism time and we are ready! Our baptistry will be here this month. The fundraiser was a success. Thank you to the anonymous donors that gave us 50% of the cost. I believe we will see families baptized together, people giving their life to the Lord for 1st time and others recommit their lives to God.

If you are serious about growing in your faith, there are plenty of opportunities to help you here at Dayspring. Start with the new members classes (even if you have been here a long time) then sign up for the Firm Foundations classes, attend church functions, find a mentor, or join a fellowship group.

It is time church. Time to start living the life God has for you.

May the grace and peace of the Lord Jesus Christ be with you,

~ Pastors Peter & Michelle

What's Happening at Dayspring in May

Water Baptisms are back at Dayspring

May 19th at the end of service

Glory to God! We asked, we prayed, we gave and God provided the rest. Thanks to everyone who gave to this most important Christian sacrament.

Water baptisms are commanded in God's Word and should be done after a person confesses their faith in Jesus for salvation. If you are ready to confess your faith in Jesus in the presence of God and others then water baptism is the next step for you.

If you never done it, it is time. If it was long ago and you've fallen away from God, it is time. If you don't remember doing it, then it is time.

Contact Pastor Peter if you want to get baptized on May 19th.

Men's night at church

Friday, May 24th starting at 7pm

The men at Dayspring are rising up to make a difference. The men's retreat was a HUGE success as 14 men were baptized, all were strengthened, and others joined mentorship and discipleship programs. These men are ready to start living out God's plan for their life. This is just the beginning.

Men, if you feel you are made for something greater, or if you are ready for the next chapter in your life, join us for this men's night. We will have powerful messages and testimonies. Plus, plenty of food and fellowship. Bring a friend and let us fill up the church with men ready to take a brave step forward.
