From Pastor Peter's heart:

The month of July is always a great month to celebrate life and enjoy time with loved ones. It is the middle of summer and the middle of the year like half time of a sporting event.

During half time, teams reflect on the first half and make adjustments to reach the goal- which is to win. At Dayspring, I encourage all of you to do the same. Reflect on the 1st six months of 2024. Have you accomplished your 2024 goals? Are you on pace to reach your January goals? If not, there is still time. Readjust, recommit, then get back into the game and start winning.

The sermon series for July is "In It To Win It" It focuses on winning souls and making disciples. This series will bring Dayspring's vision and mission to life.

Vision: "To be the most loving and faithful church in the community"
Mission: "To win souls for Christ and make disciples"

There are so many things happening at Dayspring this month. Adults ministry gatherings, teens camp, Firm Foundations classes and our "Operation Timothy" discipleship program is under way. You have many ways to grow in your faith, get plugged in, be part of the team and live the christian life here. Don't miss any opportunities to make an impact for the kingdom.

John 9:4 We must quickly carry out the tasks assigned us by the one who sent us. The night is coming, and then no one can work.

Church, it is time. Get in the game. Get in it to win it! Bring people to church and to our events. Let the Holy Spirit and the Word of God penetrate their minds, hearts and souls. I'm ready, are you ready? Let's go!!!!

~ Pastors Peter & Michelle
